

For corporate trainers ↪

Show your client what changed between 9 and 6.

Ask the same questions before and after the session. The gap between the two scores is the report you send.

Pre- and post-test

Same questions, before and after.

Energisers

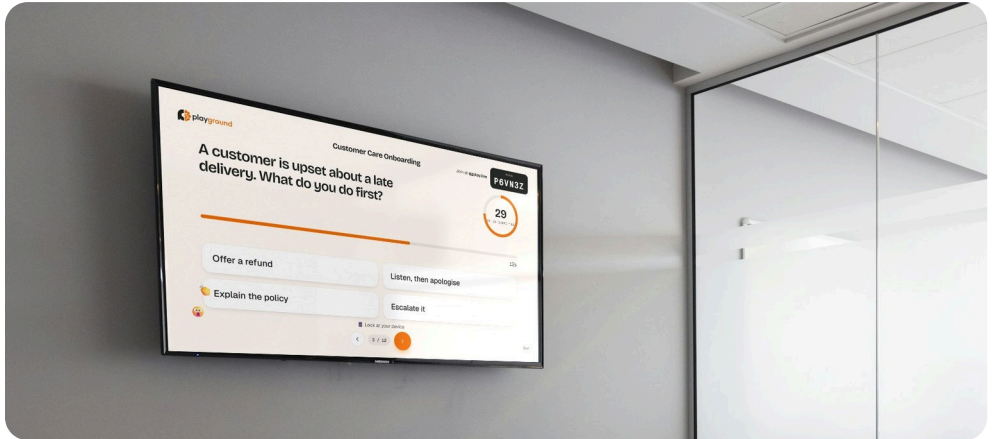

A two-minute quiz when the room dips.

Your brand

Your logo on every screen.

A training day →

One tool from the first coffee to the client report.

9:00 **FREE**

Pre-test

Ten questions on what they know now. Phones out, no app.

ALL DAY **FREE**

Keep them in it

Polls, word clouds and a quiz when energy dips after lunch.

5:30 **PRO PLUS**

Post-test

The same questions. The skills report shows the gap.

Skills by topic **Pro Plus**

Map questions to 2 to 6 categories and see a people-by-topic heatmap.

Certificates **Pro Plus**

A PDF certificate for every participant, on your template.

Your logo on screen **Pro Plus**

Up to 3 logos on the big screen and a line on every phone.

Granny writes it **Free**

Upload the training deck. Get a quiz on it in minutes.

Why it works →

People remember what they're asked, not what they're told.

Proof for the client Pro

A report you can download as PDF or Excel the same evening.

Self-paced follow-up Pro

A scheduled quiz a week later checks what stayed.

Every batch, compared Pro

Run the same quiz across cohorts and cities.

Rooms of any size Pro Plus

Unlimited players a session.

80%

recalled a week later by people who kept being quizzed. Re-studying alone kept about a third.
